REGISTRATION

No entry modality is required for participation in the events of this championship. The simple choice of a car in a garage for the championship is sufficient to participate in an event.

COURSE OF A RALLY

- The Rallyesim general regulations apply to the rally.
- The roadbook is published three weeks before each event.
- The roadbook will be composed of a minimum of 10 special stages, and a maximum of 20 special stages, spread over 1, 2 or 3 legs.
- The use of different "RBR countries" is possible on the same event.
- The surfaces used will be: GRAVEL, TARMAc and MIX (Gravel-Tarmac only).
- Damage will be set to "realistics" mode.
- The championship does not accept car repair.

HOMOLOGOUS CARS

This championship takes place with NGP cars.

The following cars will be allowed:
